

## Highcliffe Library Food

### Saturday 2<sup>nd</sup> June

This year at Highcliffe Food Festival the Library will mash up food and science in a series of free family activities.

#### Test the Senses 9.30-3pm

*Come and test 4 of your 5 senses at Highcliffe Library in a series of challenges to test what you feel, hear, smell and see. Then submit your answers and enter a prize draw for a voucher at a family restaurant.*

#### The Science Kitchen 11-12pm

*See how you can become a scientist in your own kitchen with a live demonstration of experiments you and the family can conduct in your own home from making flubber to edible paint. 11-12pm*

#### Active Storytelling 2-3pm

*Get involved in an active retelling of Jack and the beanstalk, then plant your own to take away with you. 2-3pm*
